

Hats Off to 99 Avenue!

On July 13, Max & Co. celebrated the topping off of its exquisite downtown luxury condominium located at 99 Avenue Road. The 12-storey tower, with stepped eastern face, will feature 66 elegant and spacious residences. A number of the buyers purchasing at 99 Avenue have chosen to combine two units, giving them larger living space and reducing the original 76-unit design to 66 suites, of which only four remain. The first

residents will be moving into the building in November of 2001.
